

NEWS ABOUT BLUE

Preseason Winter Check Parts Sale

Pottinger is offering a preseason winter parts sale and you can take advantage of it!

- Extra 10% off for ordering month of January
- Free freight on any orders over \$3,000

NEW - Now offering Medium height skid shoes

We're Changing Things Up... Customer Appreciation Week 2016

We are so excited to be able to serve the community from a larger facility but due to the impending move, we are going to be changing how we do customer appreciation!

We will still be offering our spring parts sale week in March but no dates have been set yet. However, we will be postponing the customer appreciation luncheon until late spring or early summer.

Watch your mail for more information!

104 W Maple St ~ McBain, MI
Mon-Fri: 8:00 - 5:00 ~ Sat: 8:00 - 12:00
231-825-2416 / 800-825-2401

Stay Warm and Don't Sit in the Dark

When the weather gets frightful (or the wind blows hard enough), make sure you're prepared. Keep your heat going and don't let your frozen goods go to waste when the power goes out. Ellens Equipment is now stocking generators! These portable gas generators are easy to use with electric or pull

starts, auto-idle features, low-oil shutdown and automatic voltage regulator.

Stop in today and see what New Holland generator will fit your needs the best or call our parts department for more info - 231-825-2416!

▶▶ Access your Invoices and Statements ONLINE!!! ◀◀

We have recently added a program called 'My Account' which allows you to receive invoices and statements through email! It also makes it easy to access your account online, through our website. You'll be able to print, download, or email invoices and statements. No more waiting for us to send them to you!

If you would like to have online access to your account as well as receiving your invoices and statements by email, contact us to get signed up!

Contact By Phone: 231-825-2416 and ask for Linda Ellens or Nicole

Building Project

The building project continues to make progress and we are estimating that the building will be finishing up at the end of January and then we'll be moving in to the new space in February!

Continuing Education

On December 8-9, Wayne Roper took his final course in the Precision Land Management certification program. He will be making more contact with customers to get guidance equipment set for the new year.

From December 14-17, Nate Bump traveled to New Holland, Pennsylvania and took courses on small square balers and roll-belt round balers.
