

NEWS ABOUT BLUE

It's Starting To Take Shape!

It's exciting to drive by and see the progress the building crews are making each day. The soil has been cleaned up and building construction has started.

This week the building's steel walls will be erected and it will soon be an enclosed structure!

►► Access your Invoices and Statements ONLINE!!! ◀◀

We have recently added a program called 'My Account' which allows you to receive invoices and statements through email! It also makes it easy to access your account online, through our website. You'll be able to print, download, or email invoices and statements. No more waiting for us to send them to you!

If you would like to have online access to your account as well as receiving your invoices and statements by email, contact us to get signed up!

Contact By Phone: 231-825-2416 and ask for Linda Ellens or Nicole

New Faces

Ellens Equipment is excited to welcome Zachary Wilson to our Service Technician Team. Zach joined the group after working as a field service technician in Gaylord. We are so pleased to add Zach to our team and look forward to the knowledge and skills he brings to our customers.

Continuing Our Education

At the end of June, Wayne Roper, attended New Holland's Precision Land Management (PLM) Harvest Training in Madison, Wisconsin.

Shawn Short and Tom Raska attended a Kinze planter sales training in Williamsburg, Iowa in July.
