After Hours Service **OR** After Hours Parts

Ellens Equipment is expanding our after hours network by adding in a separate phone line for after hours parts. By providing a separate phone line for after hours parts, you will be connected to a parts person quicker and be able to get the parts you need to get back in the field!

SERVICE = 231-920-1319/PARTS = 231-884-7077

Welcome

★ Back ★

We are so excited to welcome Shawn Beerens back to our service technician team!

Shawn has been an integral part of our Forage Harvester support and we are so glad to have him and his years of knowledge back to help with these important pieces of equipment!

SAVE some CASH this Harvest!!!

When you're working with a tight budget, there are always places to cut some costs. Consider leasing a used Forage Harvester and do some of your own harvesting.

New Holland has some great opportunities to lease used equipment and do your own forage harvesting this season.

Talk to Luke Ellens today and see how a used New Holland Self-Propelled Forage Harvester can help you save some money!
