New Years Day  
- Closed all day

**Two ways to learn about Precision Land Management!!!**

### **Desktop Training for Precision Land Management (PLM)**

The PLM Academy will be offering a desktop training for Precision Land Management users to learn how to utilize the data that their equipment registers. Topics covered will include prescription maps, working with yield data, variety tracking, guidance lines, and water control. The training will be Thursday, March 6 from 9am-4pm in Midland, MI. If you are interested in attending, please contact Ellens Equipment for more information. The cost to attend is \$135 but it will be a great way to learn to use your precision equipment!

### **Precision Land Management - Monitor Training for FM and Intelliview Systems**

Ellens Equipment will be hosting free monitor training for both FM and Intelliview systems. Certified New Holland PLM trainers will be providing the training for you and your operators! Dates will be announced and invitations sent out soon... watch your mail and make sure to send the personnel who operate your equipment so they can become more familiar with your guidance systems!

## Sign up for Kuhn Farm & Field Monthly Newsletter

Kuhn North America kicked off a monthly e-newsletter in July called Farm & Field. The e-newsletter is published on the second Sunday of every month.

The newsletter includes new products, testimonials, product tips, videos and a list of upcoming shows.

Anyone who would like to receive the newsletter can sign up for it on Kuhn's website or their facebook page. Signing up is easy and only requires you enter your name and email address.

Sign up to receive Kuhn's Farm and Field e-newsletter today!
