

NEWS ABOUT BLUE

Stay Warm and Don't Sit in the Dark

When the weather gets frightful (or the wind blows hard enough), make sure you're prepared. Keep your heat going and don't let your frozen goods go to waste when the power goes out. Ellens Equipment is now stocking generators! These portable gas generators are easy to use with electric or pull starts, auto-idle features, low-oil shutdown and automatic voltage regulator.

Stop in today and see what New Holland generator will fit your needs the best or call our parts department for more info - 231-825-2416!

- ◆ 100% double braided nylon rope
- ◆ Gator-ize Vinyl Polymer coating
- ◆ Only rope that uses exact US military specs for splicing and coatings
- ◆ Water, UV and abrasive resistant
- ◆ Highest breaking strengths available certified at their factory

Bubba Rope is the original tougher, safer, kinetic energy recovery rope, developed from military contracts for pulling off-road vehicles out of mud, sand or snow.

Ellens Equipment now carries these strong, durable ropes in both 2"x20ft and 2"x30" sizes.

Call our parts department today to see how you can get a Bubba Rope for your 'sticky' situations!

NEW Ride-On, Battery Powered Tractor and Trailer

Your little farmer will love the New Holland 12-volt tractor. It includes a working FM radio and a detachable trailer with an opening end gate that will allow them to help out in the garden or haul around their stuffed animal friends! The T8 travels at two speeds, 2.25 and 4.5 mph, plus reverse. Parents will love being able to control the vehicle speed of beginning riders with the 2nd gear lockout feature. An adjustable seat and flip-up armrests lets the T8 grow with your child.

Stop by Ellens Equipment today and get one for your little farmer!
