July 2011

July 2011

Check Out Our New Look!

Recently we set out to repaint our building and to replace some windows.

In the end, we now have new white steel siding.

Check us out next time you're in!

Something New

It's our "What's New" tab. Go to our website at www.ellensequipment.com and you'll find our own monthly newsletter. Plus this month we've included a "*must read*" letter from Advanced Ag Systems about maximizing drying time with your discbine.

*****To Better Serve You: Shawn Short traveled to Williamsburg, Iowa To attend a Kinze product school. The training focused on Kinze products and selling points.**

Happy 4th of July!!

Celebrate our Nations Freedom and as always God Bless America
