September 2011

We are now a **SCAG** dealer!

We'll have several models to choose from to satisfy your mowing needs like: The **Turf Tiger** that is a zero-turn rider that professional cutters continue to count on year after year or the **Cheetah** that accelerates productivity with double-digit mowing speeds that cut time and labor.

Units to arrive mid September.

Come in and check out what **SCAG** has to offer you!

*The staff of Ellens Equipment would like to wish you a
Happy Labor Day!*
