

# MONITOR TRAINING

## FOR YOUR GUIDANCE SYSTEM

Hosted by Ellens Equipment and New Holland's  
Precision Land Management Training Team

Ellens Equipment is excited to host a monitor training for you and your farm's equipment operators. New Holland Precision Land Management (PLM) Trainers will be providing hands on training for you and your team so that you can utilize the many features that are offered through the PLM equipment you own.

The event will cover both the Trimble FM and New Holland Intelliview Systems. Each system will be covered on a separate day so you get hands on training with the Precision Guidance System in your machines!

See the information below for the date and time covering your guidance system .

Space is limited so reserve your seats now!

★ **Contact Nicole to reserve your space today: 231-825-2416 or [nicole@ellensequipment.com](mailto:nicole@ellensequipment.com)** ★

# Training Facility Information

Northland Community Church  
5855 S Morey Rd  
McBain MI 49657

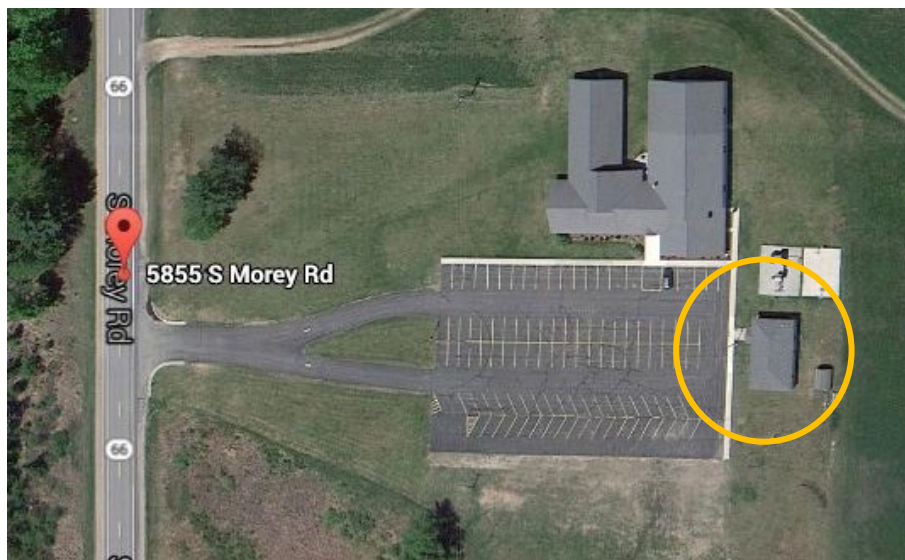

The map on the right shows the directions from Ellens Equipment in McBain.

Northland Community Church is located north of McBain, just about 4 miles, on M-66 and about one mile south of the M-55/M-66 intersection.

The PLM Monitor Training will be in the detached building on the Eastern side of the parking lot. There are bathroom facilities in the building and lunch will be served on site.

If you are having difficulty finding the location, please call Ellens Equipment at 231-825-2416.

**LOOK FOR THE NEW HOLLAND TRACTOR BY THE ROAD!!!**
